# { ideaSpark } CODING CLUBS Impact Report 2023

This 2022-2023 school year proved to be an absolutely enthralling experience for students participating in our ideaSpark Coding clubs. Bold Idea provided in-person, virtual and hybrid opportunities allowing students to participate with mentors across all of Dallas. With the help of Teksystems mentors, programs awarded 342 badges demonstrating increased students' knowledge of computer science concepts and skills.

"The money you gave helped us level up! Thanks to you, Bold Idea was able to cover our program expenses in the past year, including a digital learning platform where students code their projects, stipends for teacher liaisons, supplies like t-shirts and headphones, training for volunteer mentors, a Demo Day event, and more. Thank you for your continued support!"
